

A screenshot of a Russian forum post from amur-bereg.ru. The post discusses hunting and includes a video link that is restricted by WMG partners. The user ak75 asks if it depends on where it was shot. Another user, Misha 502, replies with a video showing a hunting scene. The video player shows a black frame with a play button and the text "Это видео содержит контент от партнера WMG. На некоторых веб-сайтах его просмотр ограничен." and a link to "Просмотр на YouTube". The post has 487 likes and 13:13 timestamp.
