Synthetic special dubbing (Airfishing)

Very fine synthetic dubbing suitable for both tying the most various types of Czech nymphs, and for small dry flies. Its advantage is stability in water and large scale of colours. € 1.50 pro one box

Monocolor nymph back foil (Airfishing)

Transparent monocolor back foil for Czech nymphs and body of different small flies. Due to easier handling the foil is braced with thicker foil, which needs to be removed after cutting the back strip into required shape. Price 2.00 € (pro one foil).

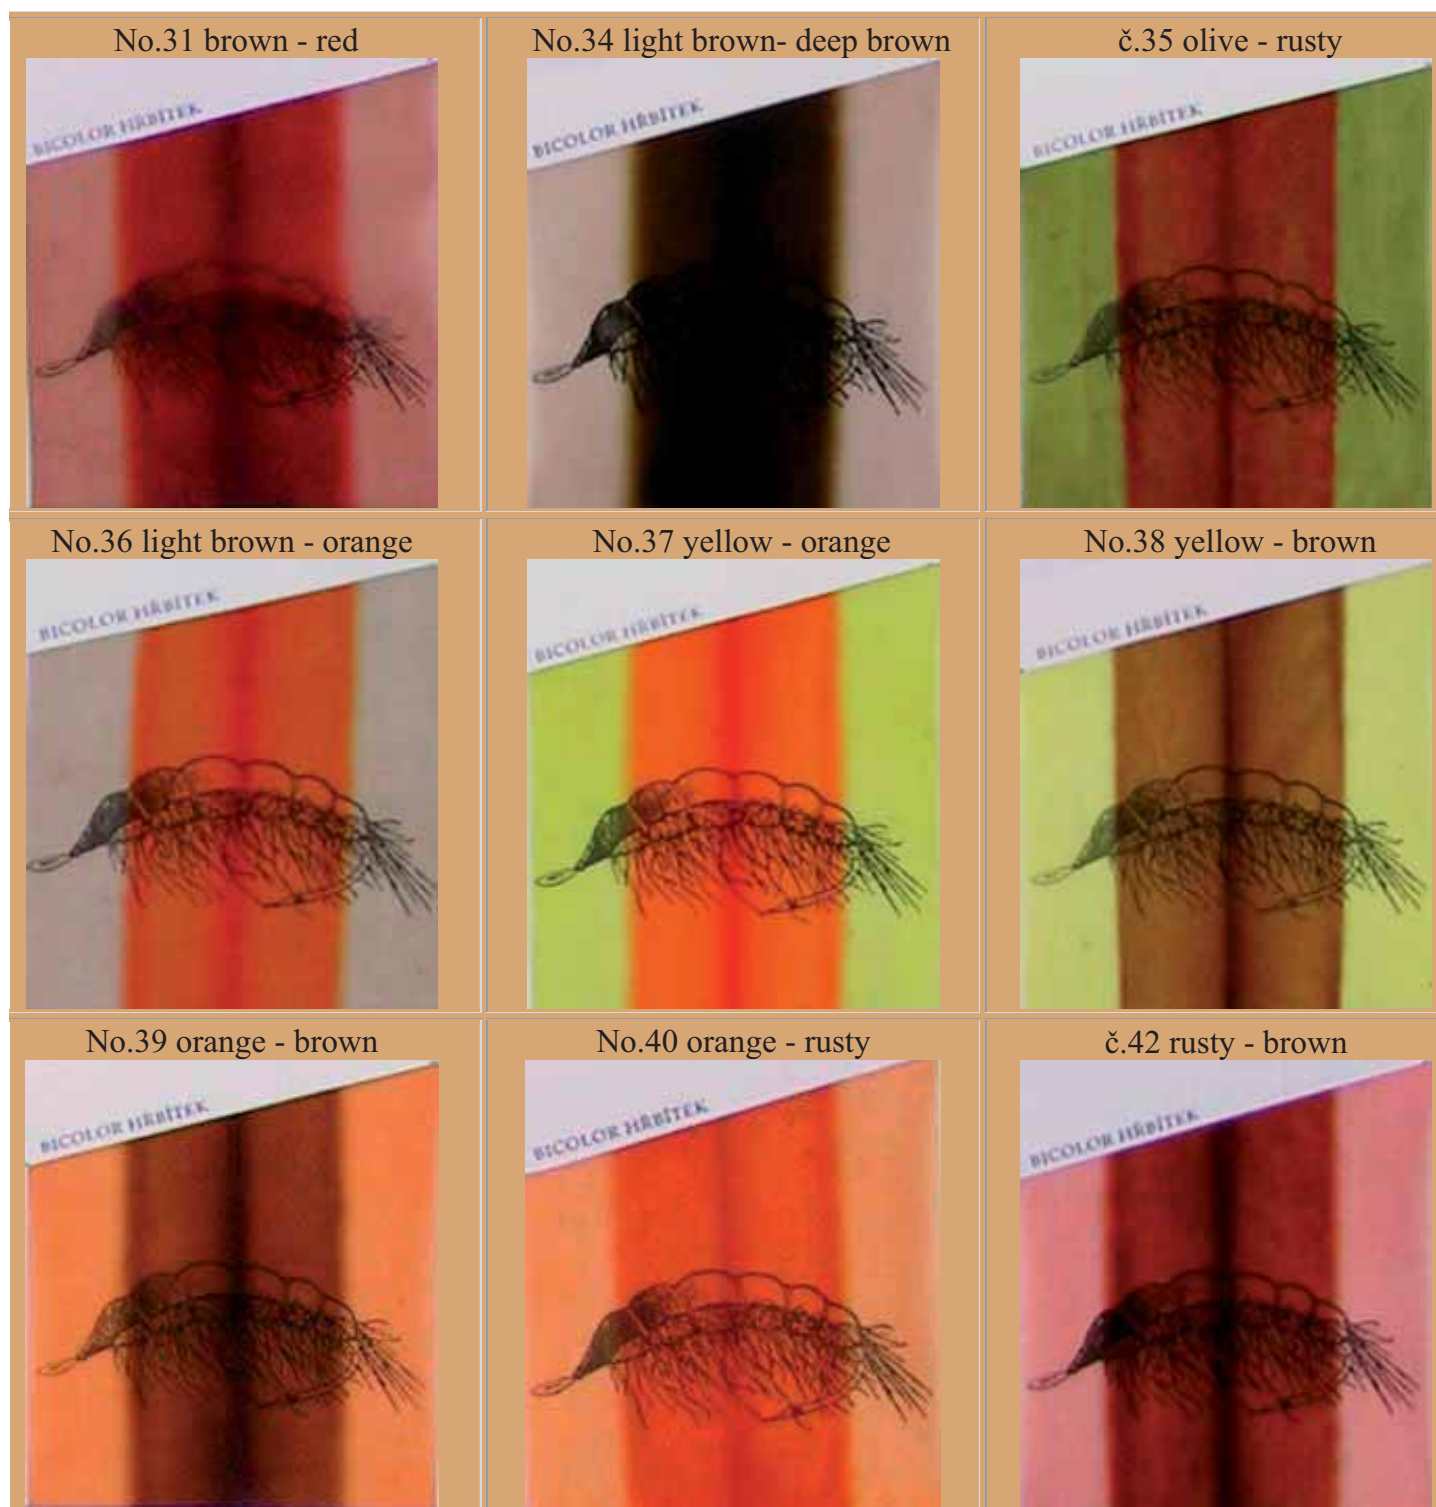

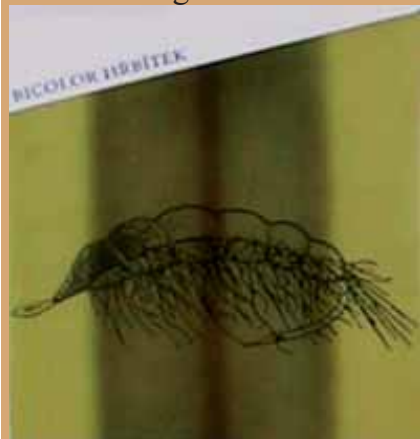

Bicolor nymph back foil (Airfishing)

Transparent bicolor back foil for Czech nymphs, emphasizing the first third of the nymph body. Due to easier handling the foil is braced with thicker foil, which needs to be removed after cutting the back strip into required shape. Price 2.50 € (pro one foil).
